

Five fantastic friends, Fiona, Frank, Fred, Felicity,  
and Finley, decided to form a formidable team. From  
finding the perfect plan to figuring out the right way,  
they worked together to finish the task in a flash. Fo-  
cused and friendly, they forged ahead, never falter-  
ing or feeling frustrated. For each friend brought  
their forte, and together, they made the perfect for-  
mula for a fantastic team.
