

Una was an 8-year-old who dreamed of UFOs.

One night, she heard a strange noise outside her win-

dow and saw a UFO hovering above her house. She

quickly ran outside to get a closer look. Una was

amazed by the sight and wanted to understand what

it was doing there. She followed the UFO until it

stopped at the nearby park. Una used her curiosity

to uncover the truth and found out that the UFO was

actually a group of kids playing a game of hide-and-

seek!
