| Once upon a time, there was a young fox named          |
|--|
| Xavier who lived in the woods. He loved to explore     |
| and often found himself in sticky situations. One day, |
| Xavier stumbled upon an old xylophone and decided      |
| to take it home. As he walked, he heard a strange      |
| noise coming from the xylophone. When he looked        |
| closer, he saw that it was full of tiny x-ray bugs!    |
