Ben	loved	science	because	he was	curious	about	how
thing	s work	ed. H	e asked	lots of	question	is and	did
experi	ments	to find	the ansi	vers. By	using a	micros	соре,
he di	scovere	d tiny	creature	s in a d	trop of u	vater.	But
when	his exp	perimen	t didn't	work, h	e didn't	give up	. He
went	back a	nd tried	l again i	intil he i	found th	e soluti	ion.
